

## INDEX OF AIR TRAFFIC CONTROL TRAINING PUBLICATIONS

This index is a reference document and index of Air Traffic Control Training Publications, established in accordance with AFI 36-2222, *Air Traffic Control Training Publications*. Submit F requirements and/or requisitions through your servicing publishing distribution office (PDO) to the Air Force Publishing Distribution Center (AFPDC) in the short title format for submission through AUTODIN. Send comments and suggested improvements on AF Form 847, **Recommendation for Change of Publication**, through channels, to HQ AFFSA/XATF, 1535 Command Drive, Suite D-306, Andrews AFB MD 20762-7002. Do not supplement this index.

## 1. Explanation of Symbols:

A Additional Training

AT Paper Air Traffic Control Training Series (ATCTS)

CATTS/CBT Computerized Air Traffic Training System/Computer Based Training

E Equipment G General

JPA Job Performance Aid

M Air Traffic Control Management
R Radar/Non-Radar Operations
T Control Tower Operations

k Changed information or new publications since last edition

- **2. Source of Publications.** HQ AFFSA/XAT establishes requirements and is the approval authority for Air Traffic Control training materials in accordance with AFI 36-2222.
- **3. Ordering Air Traffic Control Training Series (ATCTS) Publications.** Computerized ATCTS which are not identified as For Official Use Only (FOUO) are available immediately through the Air Force Publication Distribution Library (AFPDL). For paper, computerized FOUO on disk, and/or the CD-ROM ATCTS, users will establish requirements and submit requisitions for ATCTS publications in the short title format; e.g., ATE16, CBTE1, etc., using AF Form 764a, **Requisition and Requirement Request, through AUTODIN**. Process requisitions and requirements through your servicing PDO. HQ AFFSA announces new, revised, and obsolete ATCTS publications in the *Air Force Publishing Bulletin*, (AFPB), Pt 1.
